

St. Petersburg invites. Best practical keys in energetic.

Topic of the year «Power Efficiency»

From 1 to 4 of October 2019 following exhibitions are going to be held in St.Petersburg:

23^d International Specialized Exhibition of Natural Gas Industry and Technology for Gas Facility

17th International Specialized Exhibition of Heat-Power Engineering

11th International Specialized Exhibition « ENERGY-SAVING. POWER EFFICIENCY. INNOVATIVE TECHNOLOGIES AND EQUIPMENT»

9th International Congress «ENERGY-SAVING and POWER EFFICIENCY-dynamic of development» is going to be held during these exhibitions.

Programma **pavilion H**

1 October

Plenary session 10.30-13.00 conference hall 3.2

- «Power Efficiency. Innovations. Digitalization. Quality. Safety».

Conference 14.20-18.00, conference hall 3.2

- «Transformation of electric power systems»

Organizer: Science-Expert Union under support of Ministry of industry and trade of Russia.

Scientific-practical seminar 14.20-18.00 conference hall 3.3

- «Water treatment and water disposal: modern requirements, technologies, equipment»

Seminar 13.30- 16.30 conference hall 3.1

«Concession agreements - practical aspects of preparation, conclusion and implementation. Experience. Hedges. Perspectives»

2 October

Scientific-practical conference, 10.30-14.00 conference hall 3.2

- «Smart Gas: Safety. Quality. Energy Efficiency»

Organizer: Gas-Club

Round table 10.20-13.00 conference hall 3.3

- «Prospects for recreating the production of power gas turbine plants in the Russian Federation»

Round table 10.20-12.30 conference hall 3.1

- «Actual issues of development, design and implementation of innovations: Design in heat and gas supply»
-

Scientific and technical seminar 14.00-18.00 conference hall 3.2

- «Protection of companies and plumbing market from counterfeit»

Organizer: Magazine TPA, «Il'ma Ltd»

General sponsor «Il'ma Ltd»

Round table 14.20-17.00 conference hall 3.3

- «Centralized and distributed energy. Integration issues. Local Low Calorie Fuels»

Organizer: Section «Energetic» NTS St. Petersburg;

Round table 14.20-18.00 conference hall 3.1

- «Innovations help to increase reliability and safe of domestic energetic»

3 October

visiting session 10.30-15.00 conference hall 3.2

Legislative and technological support for the development of electric transport in the Russian Federation. Implementation of the charging infrastructure program»

Session of North-West Department of the Science-Expert Union

Round table 10.30-12.30 conference hall 3.3

«Digitalization in heat- and power-supply. Goals and instruments»

- Round table 14.20-16.30 conference hall 3.1
Innovations for Northern regions of Russia»

Round table 13.00-16.00 conference hall 3.3

- «Advanced lighting technologies for industrial enterprises and the fuel and energy complex»

Organizer: Belteco LLC - Salon «Industrial Lighting»
